ProloTEX™ Arthritis Gloves will help relieve the pain and heal arthritic hands and fingers. By increasing circulation at the cellular level, the FIR reduces swelling, flushes toxins, and brings fresh, nutrient-rich oxygenated blood to the affected areas.

Use Bio-Ceramic PROLOTEX™ Gloves for Warming Cold Hands and Many Other Ailments.

your gloves are amazing, within days I was able to flex my fingers more than I have been able to within the last two years. I have Rheumatoid Arthritis and just wish you did a full body suit for the bad days. Have you thought about a tubular design for knees and elbows? I am sure it would appeal to a lot of people. Thank you for your product.
